**ANNEX I**  
**NOTEHOLDER REQUEST**

**REQUEST FOR NOTEHOLDER APPROVAL AND INSTRUCTION**

	<b>Common Code</b>	<b>ISIN CODE</b>
AUM Special Situations (Series 406) Notes due 2040 issued by ETPCAP2 Designated Activity Company (the “Notes”)	216700457	XS2167004576

We refer to (i) the constituting instrument relating to the Notes dated 29 April 2020 (the “**Constituting Instrument**”) made between (1) ETPCAP2 Designated Activity Company (as the “**Issuer**”), (2) Intertrust Trustees Limited as Trustee, (3) FlexFunds ETP, LLC as Arranger, Charged Assets Realisation Agent and Calculation Agent, (4) GWM Ltd as Placing Agent and Broker Dealer of Record, (5) AUM Assets Under Management S.A. as Portfolio Manager and (6) The Bank of New York Mellon., London Branch as Issue Agent and Principal Paying Agent, in relation to the Notes, (ii) the series memorandum dated 29 April 2020 (the “**Series Memorandum**”), in relation to the Notes; and (iii) the portfolio management agreement made between (1) the Issuer, (2) the Trustee and (3) AUM Assets Under Management S.A. dated 29 April 2020 (the “**Portfolio Management Agreement**”) whereby the Issuer appointed AUM Assets Under Management S.A. as portfolio manager of the Notes (the “**Current Portfolio Manager**”).

Other capitalised terms used in this request, but not otherwise defined herein, shall have the meanings given to them in the Constituting Instrument.

For the purposes of this request, “Noteholder” shall mean each person who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount of the Notes. Unless the context otherwise requires, “Noteholders” and “holders of Notes” and related expressions shall be construed accordingly.

The net proceeds from the issue of the Notes were invested by the Issuer in the Securities Account, subject to the management of the Portfolio Manager.

*Background on Request for Change of Current Portfolio Manager*

The Issuer previously notified Noteholders pursuant to the Issuer notice dated 1 June 2022 (the “**Issuer June Notice**”, appended hereto as Schedule 2) that the Current Portfolio Manager would close its business and cease to exist and thus would no longer be able to act as the Portfolio Manager of the Notes. Accordingly, the notice states, the Current PM had requested the termination of its appointment. The notice provides that the Issuer (at the time of the notice) was in discussions with the Current Portfolio Manager in relation to the termination of its appointment and the appointment of a suitable replacement.

The Issuer hereby gives notice to the Noteholders that on 6 December 2022, the Current Portfolio Manager informed the Issuer by letter that the Current Portfolio Manager will cease its operations as portfolio manager registered with the Central Bank of Uruguay (“BCU”) on 31 December 2022 (the “**Letter**” and the “**AUM Assets PM Cessation**”). A copy of the Letter is attached in Schedule 4 hereto.

The Letter explained that the Current Portfolio Manager will be merged into BP Finance S.A., and as such, the Current Portfolio Manager has requested that it be replaced by BP Finance S.A. (the “**New Portfolio Manager**”) as Portfolio Manager in respect of the Series as soon as reasonably possible (the “**Proposed Portfolio Manager Change**”).

The New Portfolio Manager is a Uruguayan “Gestora de Portafolios” (portfolio manager) registered with BCU under number 7055 on 28 June 2021. The New Portfolio Manager operates under licence of free zone issued by the Ministry of Economy and Finances. The New Portfolio Manager, as a portfolio manager, manages client accounts outside of Uruguay, in Switzerland and the United States, with several banks that the New Portfolio Manager maintains pursuant to external asset management agreements with such banks to introduce clients, to open client accounts and to perform investment management services with respect to such accounts.

The Arranger has advised the Issuer that, in its opinion, it would be in the best interests of the Noteholders to carry out the Proposed Portfolio Manager Change as soon as possible, in anticipation of the AUM Assets PM Cessation. The Arranger has also confirmed to the Issuer that there will be no change to investment strategy adopted by the Portfolio Manager for the Series as a result of the Proposed Portfolio Manager Change, and the terms of the Portfolio Management Agreement (including, but not limited to, the management duties, Investment Objective, Management Criteria, Fees) will remain unchanged.

#### *Change of Portfolio Manager*

Under Clause 15.4 (*Termination by Arranger with Notice Period*) of the Master Portfolio Management Terms, the Arranger has a discretionary right to terminate the appointment of the Portfolio Manager where the Arranger considers such termination to be in the interests of the Noteholders. Clause 15.4.3 further provides that the Arranger shall terminate the appointment of the Portfolio Manager on the basis of an Investor Direction to such effect. The Investor Direction may be delivered by way of notice to such effect, in writing, to the Portfolio Manager and copied to the Issuer and Trustee. This Extraordinary Resolution constitutes an Investor Direction and notice to such effect.

In the event that this Extraordinary Resolution passes, the Issuer shall, on the basis of the Extraordinary Resolution, enter into the Deed of Novation and Restatement (as defined below) in order to effect the Proposed Portfolio Manager Change.

The Portfolio Terms provide that termination of the Current Portfolio Manager in accordance with Clause 15.4 shall be effective on the 90<sup>th</sup> calendar day after the date on which such notice is received by the Portfolio Manager in writing, in accordance

with Clause 18 (*Notices*) (the “**Portfolio Manager Change Notice Period**”). The Issuer requests that such notice period is waived by the Noteholders, such that the Proposed Portfolio Manager Change may be effected upon the execution of the Deed of Novation and Restatement, as defined below, in the event that this Extraordinary Resolution passes.

The change in Portfolio Manager shall be effected by the entry into of a novation agreement (the “**Deed of Novation and Restatement**”) between the parties to the Portfolio Management Agreement and the New Portfolio Manager pursuant to which the Current Portfolio Manager shall novate all rights and obligations to the New Portfolio Manager.

On the basis of the foregoing, the Issuer hereby requests that the Noteholders pass an Extraordinary Resolution sanctioning and providing the following waivers, consents, instructions and directions, which are hereby requested by the Arranger:

1. to consent to and confirm the termination of the Current Portfolio Manager and the appointment of the New Portfolio Manager as Portfolio Manager of the Notes;
2. to consent to and confirm the Proposed Portfolio Manager Change;
3. to consent to the waiver of the Portfolio Manager Change Notice Period;
4. that the Issuer be and is directed, consented, instructed, empowered, authorised and requested to consent and confirm to the Proposed Portfolio Manager Change;
5. that the Trustee be and is directed, consented, instructed, empowered, authorised and requested to consent and confirm to the Proposed Portfolio Manager Change;
6. in connection with and to give effect to the Proposed Portfolio Manager Change, instruct and direct the Issuer and the Trustee to enter into the Deed of Novation and Restatement, appended hereto as Schedule 3; and
7. to instruct and direct the Issuer to issue a supplement to the Series Memorandum noting the nature and effect of the Proposed Portfolio Manager Change (once implemented).

Numbers 1 to 7 above are the “**Proposed Actions**”. It is proposed that the Proposed Actions will be sanctioned by a resolution in writing having effect as an Extraordinary Resolution (the “**Proposed Written Resolutions**”). The form of the Proposed Written Resolutions is attached hereto as Schedule 1. A copy of this document is available from the Principal Paying Agent as described in the paragraph “**Availability of documents**” below.

For the avoidance of doubt, the security created pursuant to the Constituting Instrument, the Trust Deed constituted thereby and Charging Instrument, each dated 29 April 2020 remains outstanding and fully effective as of the date of its creation (being 29 April

2020) and no amendments or supplements are required in respect of such security documents as a result of the Proposed Written Resolutions.

If the Proposed Written Resolutions are approved, the New Portfolio Manager shall become the Portfolio Manager of the Notes.

If the Proposed Written Resolutions are not approved, Noteholders should be aware that this may have consequences for the Notes and the Noteholders, including but not limited to an early redemption of the Notes.

Clause 17 (*Extraordinary Resolution*) of the Trust Deed and Condition 6.1 (*Extraordinary Resolution*) provide that Noteholders may at a meeting of Noteholders or by means of a resolution in writing consider matters affecting the interests of Noteholders. The resolution in writing shall be as valid and effective as a meeting of Noteholders, if signed by or on behalf of the holders of not less than 75 per cent in principal amount of the Notes who for the time being are entitled to receive notice of a meeting (a "**Written Resolution**") and shall take effect as if it were an Extraordinary Resolution.

**Prior to deciding whether to grant such approval, and give such direction, the Noteholders should have regard to the Proposed Actions.**

In accordance with normal practice the Issuer and the Trustee express no opinion on the merits of the Proposed Written Resolutions or whether the actions contemplated therein (including but not limited to the Proposed Actions) will be beneficial or detrimental to the interests of the Noteholders. However the Proposed Written Resolutions are required in order for the Proposed Actions to occur. The Issuer and the Trustee will take no further actions in relation to the Proposed Actions or the Proposed Written Resolutions unless the Proposed Written Resolutions are passed in accordance with the Trust Deed and the Conditions.

The Issuer hereby agrees that (subject to clause 10.5 of the Master Trust Terms) it shall indemnify the Trustee in respect of all liabilities, losses, costs, claims, actions, demands and expenses incurred by it or any of its duly appointed delegates in connection with this request, the Proposed Actions and/or any related Written Resolutions (including the Proposed Written Resolutions).

### **Required action**

The Noteholders wishing to approve the Proposed Written Resolutions should do so by no later than 28 March 2023 at 12.00 hours CET (the "**Approval Deadline**"). Noteholders who do not wish to approve the Proposed Written Resolutions do not need to take any action.

### **Availability of documents**

All documents referred to in this request and the Proposed Written Resolutions are available for inspection on and from the date of this request until the date of the Proposed Written Resolutions, at the offices of the Principal Paying Agent during London business hours. Such documents will be made available to Noteholders only

upon production of evidence satisfactory to the Principal Paying Agent as to status as a Noteholder.

### **Procedures for execution of the Proposed Written Resolutions**

#### *Notes held through Euroclear or Clearstream, Luxembourg*

The Notes are currently represented by a Global Note which is held with a common depository (the “**Common Depository**”) for Euroclear Bank S.A./N.V. (“**Euroclear**”) and/or Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”), together, the “**Clearing Systems**”.

Noteholders who wish to vote on the Proposed Written Resolutions must, in accordance with the current procedures of the Clearing Systems, instruct their clearing system to this effect and as to whether their vote should be in favour of, or against, the Proposed Written Resolutions. Noteholders that do not provide any instruction shall be deemed to have voted against the Proposed Written Resolutions.

Each person who is the owner of a particular nominal amount of Notes (a “**Beneficial Owner**”), as shown in the records of its intermediary (each an “**Intermediary**”), who wishes to approve the Proposed Written Resolutions, shall instruct such Intermediary to follow the procedure above or to procure that such procedure is followed on its behalf and shall rely solely on such Intermediary to confirm their consent to the Proposed Written Resolutions and to instruct the Issuer and/or the Trustee to execute the Proposed Actions.

#### *Delivering execution instructions*

To authorise and instruct the Issuer and/or the Trustee to execute the Proposed Actions, such Beneficial Owners should ensure that:

- (i) they give such (electronic) approval instructions to the relevant Clearing System via its Intermediary in accordance with its procedures to approve the Proposed Written Resolutions such that the Principal Paying Agent will receive them on or before the Approval Deadline; and
- (ii) the Intermediary has received irrevocable instructions (with which they have complied) to block Notes to the order of the Calculation Agent in the securities account to which they are credited with effect from and including the day on which the electronic voting instructions are given so that no transfers may be effected in relation to the Notes at any time after such date until the Proposed Actions have been executed and released by the parties thereto, or until such time as the Calculation Agent has confirmed that such Notes may be unblocked.

Noteholders should ensure that the relevant blocking instructions to the Intermediary can be allocated to the relevant electronic approval instruction. For the avoidance of doubt, each electronic approval instruction must have an individual matching blocking instruction. Noteholders who do not wish to approve the Proposed Written Resolutions do not need to take any action.

## **Approval of the Proposed Written Resolutions**

To be passed, the Proposed Written Resolutions must be approved by or on behalf of holders of not less than 75 per cent in principal amount of the Notes who for the time being are entitled to receive notice of the meeting of Noteholders. If passed, the Proposed Written Resolutions shall be binding upon all the Noteholders and, whether or not they participate in the passing of the Proposed Written Resolutions, each of the Noteholders shall be bound to give effect to it accordingly. The passing of any such resolution shall be conclusive evidence that the circumstances of such resolution justify the passing of it.

Beneficial Owners wishing to approve the Proposed Written Resolutions, to authorise and instruct the Issuer to execute the Proposed Actions are recommended to retain their Notes in the Clearing Systems and to approve the Proposed Written Resolutions by giving electronic approval instructions as described above.

## Change of Portfolio Manager

On 13 December 2022, the Portfolio Manager, AUM Assets Under Management S.A. (the "**Current Portfolio Manager**") notified the Issuer by letter that it will cease its operations as portfolio manager registered with the Central Bank of Uruguay ("**BCU**") on 31 December 2022 and will be merged into BP Finance S.A., thereby requesting the termination of its appointment and replacement with BP Finance S.A. (the "**New Portfolio Manager**") who would perform its existing duties under the Portfolio Management Agreement (the "**Proposed Portfolio Manager Change**").

The New Portfolio Manager is a Uruguayan "Gestora de Portafolios" (portfolio manager) registered with BCU under number 7055 on 28 June 2021. The New Portfolio Manager operates under licence of free zone issued by the Ministry of Economy and Finances. The New Portfolio Manager, as a portfolio manager, manages client accounts outside of Uruguay, in Switzerland and the United States, with several banks that the New Portfolio Manager maintains pursuant to external asset management agreements with such banks to introduce clients, to open client accounts and to perform investment management services with respect to such accounts. The registered office of the New Portfolio Manager is at Luis Bonavita 1294, Oficina 708, CP 11300, Montevideo, Uruguay.

The Issuer, in consultation with the Arranger, issued a request for Noteholder approval and instruction in respect of the Proposed Portfolio Manager Change, as a result of which an Investor Direction was issued on 21 November 2023 authorizing the Proposed Portfolio Manager Change by means of an Extraordinary Resolution, including consent to waive the notice period required under the Master Portfolio Management Terms for termination of the existing Portfolio Manager and the entry by the Issuer into a deed of novation and restatement with the Trustee, the Current Portfolio Manager and the New Portfolio Manager to concurrently terminate the appointment of the Current Portfolio Manager and appoint the New Portfolio Manager (the "**Deed of Novation and Restatement**").

The Deed of Novation and Restatement was entered into on 30 March 2023 and the New Portfolio

Manager's appointment is effective as of that date. There have been no changes to the Portfolio Management Agreement other than the substitution of the Current Portfolio Manager with the New Portfolio Manager.
