- 5.7.2 The NAV Report and the summary thereof will be an estimated valuation of the assets held in the Securities Account and shall not be interpreted as an indication of expected redemption values of the Notes. The NAV Report and the summary thereof shall take account of any fees, expenses or charges that apply to the Notes, and is subject to amendments and / or corrections at any time without giving notice to any person.
- 5.7.3 Whenever any matter falls to be determined, considered or otherwise decided upon by the Calculation Agent or any other person (including where a matter is to be decided by reference to the Calculation Agent's or such other person's opinion), unless otherwise stated, that matter shall be determined, considered or otherwise decided upon by the Calculation Agent or such other person, as the case may be, in its sole and absolute discretion.  - (iv) any fees, costs and expenses of the administrator of the Issuer payable by the Issuer or the Programme Coordinator in respect of the Notes;

Payment of the Ordinary Fees

- 5.8.7 Ordinary Fees shall be paid by the Issuer out of the BNYM Operating Account. To the extent that monies standing to the credit of the BNYM Operating Account are insufficient to pay the Ordinary Fees in full, the Programme Coordinator agrees to promptly pay to the Issuer an amount equal to such shortfall in order that the Issuer may satisfy such payment. In such case, Ordinary Fees will not be deducted from the value of the Portfolio. However, if the Issuer does not have sufficient funds in the BNYM Operating Account and the Programme Coordinator fails to or is unable to make required payment within fifteen (15) Business Days of written demand by the Issuer, the Issuer shall remain liable to pay such Ordinary Fees and may instruct the Charged Assets Realisation Agent to liquidate Charged Assets in the Securities Account or make deductions from Interest Amounts or Redemption Amounts in order to satisfy such liability.

Payment of the Extraordinary Fees

5.8.10 Any amounts payable under the Notes are based on the performance of the Charged Assets net of any Extraordinary Fees. The Portfolio Manager has agreed to pay such Extraordinary Fees. However, if such fees are not paid by the Portfolio Manager within ninety (90) Business Days of demand, the fees will be applied in calculating the value of the Portfolio and therefore will result in a reduction in value of the Notes. Unless paid by the Portfolio Manager, the Issuer may deduct any outstanding Extraordinary Fees from Interest Amounts or Redemption Amounts and may, if so directed by the Programme Coordinator, instruct the Charged Assets Realisation Agent to liquidate or otherwise realise Charged Assets in order to pay for any outstanding Extraordinary Fees.

Determination and Payment of Interest

If no Extension Notice, or no further Extension Notices (if applicable) are delivered by the Calculation Agent, the Notes shall be redeemed on the Maturity Date or on the date stated in the final Extension Notice (such date being the “**Extended Maturity Date**”).
